

Behçet's - In a Day!

29th November 2018, 10.30AM - 4 PM, Aintree University Hospitals,
Clinical Sciences Centre, Liverpool, L9 7 AL

The Liverpool Behçet's Centre of Excellence invites you to a **FREE** educational conference on the presentation and treatment of Behçet's Syndrome.

Specialist speakers will discuss state of the art care including:

Children with Behçet's

Behçet's eye disease and differential diagnoses

Musculoskeletal involvement in Behçet's

The skin in Behçet's

Gynaecological aspects of Behçet's

Oral manifestations in Behçet's

Neurological features of Behçet's

Psychological impact and patient-centred care in Behçet's

Patient experience of living with Behçet's pre and post stem-cell transplant

The meeting will include **difficult case discussions** and **small workshops** (please tell us what items you would like us to cover – this day is for **YOU !!!!!!!**)

CPD points * Certificate of attendance * lunch provided
